Striker Systems Announces New Canadian Distributor

WHITE HOUSE, Tennessee, June 2, 2014 – Striker Systems, an industry leader in the development of sheet metal manufacturing solutions, is pleased announce 3dSolid as its newest Canadian distributor.

Ottawa, Ontario based 3dSolid will be representing the entire Striker Systems sheet metal CAD/CAM product line throughout all of Canada. A CAD/CAM systems integrator focusing in metal fabrication, 3dSolid's expertise ranges from 3D CAD modeling to sheet metal nesting and shop floor process control. "The comprehensive nature of the Striker product line makes it a natural choice for us to represent", states 3dSolid founder and president, Patrick Fillion. "I'm excited about this opportunity to expand the Striker Systems presence in Canada."

Michael Boggs, VP of Sales & Marketing for Striker Systems commented, "We are delighted to be working with 3dSolid, who is ideally positioned to service a large and growing market for us. Patrick Fillion brings extensive CAD/CAM software expertise to our distribution channel and we look forward to working with him."
